Subject: Drinking Water Safety
 COVID-19

Our drinking water supplies remain safe during the coronavirus (COVID-19) outbreak. WMWCo customers can, and should continue to use and drink water from their tap as always.

Federal and State regulated disinfection processes adhered to by our operations team effectively inactivate all disease agents. Water system operators are designated as first responders in the Homeland Security Act of 2002, and are exempt from government mandates to remain at home.

Our operations team, Fluid Resource Management and our Management/Administration team remain available to assist with any concerns you might have. Please call our offices at (805) 540-5208 with any questions Monday -Friday, 8am to 5pm, and the after-hour emergency line for urgent items outside of those hours at (805) 546-3618.
